

Caterers, please consider partnering with us!

Help & Hope: An opportunity to serve the homeless in our community

The Lewis Center, established in 2012, is the county's first homeless resource center of its kind in Palm Beach County. Having a partnership of homeless service providers in one location allows the Lewis Center to act as a central point of access for individuals and families seeking to end their homelessness. Here people get connected with supportive services and housing to restore them to self-sufficiency. Resources are on site to assess clients and offer interim housing, medical care, life skills, job training and placement.

JupiterFIRST Church will be serving dinner at the center the third Thursday of every month (we started in March 2016) This is to support the Breaking Bread Breaking Barriers Campaign run by the Homeless Coalition of Palm Beach County to provide nutritious meals to the center's resident guests. It is an opportunity to help those in need in our community!

We are looking for local restaurants/caterers to partner with us and donate a prepared dinner (for 70) within an annual schedule. (Sample meal: spaghetti and meat sauce, garlic bread, green salad) This would be a one-time commitment or fill a few slots for the year. This is also a tax donation.

Partner caterers will be listed on communications through the church and the coalition for added advertising; signage is available for you to display to customers as well.

Church volunteers will pick up the dinner in time to be at the center on 45th Street in West Palm Beach by 5:15 pm.

Please call with any questions. Thank you so much for your consideration. I have personally served dinner the past few months and the facility, staff, residents and overall program is a wonderful service that truly helps to change lives. I am thrilled to be a part of it and I know you will be as well.

Peace & Blessings,

Tisa L. Queen-Oldham, C.O.O.
